## A Note from the Pastor

Pamela Gardner, Senior Pastor

Christmastime is upon us with promises of more – more lights, more food, more festivities, more gifts, and more of everything! As Christ-followers, it is easy to get caught up in this season of “more” and miss the wondrous story so central to our faith. God, incarnate, comes to earth in an act so generous that on Christmas Eve, we are finally silenced to awe.

Advent is a God-given gift to help us balance a more secular celebration of more to ask what God might be trying to give to us during holy days. God’s “more” offers a different path to all searching for the child wrapped in swaddling clothes in a manger. How can we follow our spiritual ancestors to a place where Christmas offers us newness of faith?

Each Sunday of Advent, our scriptures will be opening the world-shattering, terrifying news that God is on the move initiating the incomprehensible. Mary, Zechariah and Elizabeth, Joseph, along with a host of shepherds are the first to hear God’s momentous plan to come to earth in human form to show the path to more hope, more peace, more joy, more love, and more awe. God’s “more” opens the possibility of a deep way of living in union with God as opposed to glutting our lives with the stuff of this world.

God’s invitation to behold the Savior of your life might be intimidating or fearful when we think about celebrating Advent and Christmas steeped in prayer, scripture and discovering what “more” truly means for us. But the message to the faithful is still the same and echoed down through centuries of angels encountering us as we embark on new paths... “Do not be afraid.”

Welcome Advent! May we receive more hope, peace, joy, and love as we search for the Holy One, Emmanuel, come to be with us. Blessings!

## CHRISTIANITY AND WORLD RELIGIONS

Book Study  
**Sundays at 4**  
**January 9 - February 27**  
[bit.ly/BaldwinBookStudy](https://bit.ly/BaldwinBookStudy)

Led by  
 Dr. Justin Pearl and  
 Rev. Pamela Gardner

If there ever was a time when Christians needed to build bridges with others, seeking peace in our world, loving our neighbors, and finding positive ways to share the gospel, it is now. In *Christianity and World Religions*, author Adam Hamilton deals with questions so many of us have about the four major world religions—Hinduism, Buddhism, Islam, and Judaism—and compares the beliefs of each with those of Christianity. In his trademark honest and open writing style, Hamilton helps answer questions such as: *Why are there so many different religions? How should we view their beliefs? What is the fate of those who have these beliefs?* Join this study, which will take place on Sundays at 4pm starting on January 9th, by contacting Justin or responding on this site: [bit.ly/BaldwinBookStudy](https://bit.ly/BaldwinBookStudy).

Youth Group members acted out the Biblical characters in a traveling nativity during Hanging of the Greens. Thank you to everyone who participated in this fun and productive evening.

## Stewardship Update

Thank you to the many who have taken the time to return their 2022 pledge card to the church office. We are working to create a vibrant and missional budget for the new year and are excited about the ministry possibilities before us. Right now, we are about halfway to our budget support goal. If you have not had the opportunity to return your pledge card to the church office, we are inviting you to share your pledge information with us as soon as possible. Your pledge shares important information regarding your wishes to support our ongoing work at Baldwin Community UMC. 2022 is going to be an important year for us as we strengthen our ministries and prepare for the work God has before us.

Thank you for your ongoing support! We value your commitment to Baldwin Community UMC.

## Quiet Week and Prayer Vigil—December 26-31

As many of us regroup from our Christmas celebrations and turn our attention to New Year's Eve, the church office becomes very, very quiet. The staff at BCUMC will be using that week as quiet time to rest, take online classes, read books, brush up on tech skills, and other tasks we don't normally have the time to attend to when things are busy. Quiet week offers the staff flexibility and freedom work at home or in the office, so if you are planning to stop by the church office you might want to call first to make sure the person you want to talk to will be in the building.

You are invited to join in a week-long prayer vigil during from December 26-December 31 to pray daily on behalf of our church for blessing, strengthening of community, and a unity of heart and life. Below you will see the list of suggested daily prayers that you can immerse your thoughts and focus as we ask for God's blessing in the new year. You may choose to craft your own prayers for each day, or you are invited to pray daily the Wesleyan Covenant Prayer as follows: *"Let me be your servant, under your command. I will no longer be my own. I will give up myself to your will in all things. Lord, make me what you will. I put myself fully into your hands: put me to doing, put me to suffering, let me be employed by you, or laid aside for you, let me be full, let me be empty, let me have all things, let me have nothing. I freely and with a willing heart give it all to your pleasure and disposal. Amen."*
